“ *You were/are such a very sweet lady, Aunt Linda. I remember when you & Uncle Joe were dating & he had bought you an outfit & shoes, which you wore, I believe, on Mother's Day. You were SO exciting & just beaming! I was so happy for the two of you. Then, I remember running into you several times, while you were working, at the Hardees on Woodson. You were always such a doll & so happy to see me that it made me feel very special. And I had the privilege of having your very kind daughter babysit my boys. It was good to be back-in-touch w you all. Linda, I hope you have much love, peace & comfort in the afterlife w God, your loved ones & friends. May God bless you, sweetheart.*

“ *Growing up Linda & I were more like twins than 1 1/2 yrs apart. We
worked together, went on dates together. Maid of honor at each
other's weddings, Godmothers to our first born. We shared a lot of
secrets and love. Going to miss you sis. Love you.*
