“ So many wonderful memories of dear Lorraine. She was one of my mother's (Virginia Woody) best friends and together they enjoyed going to many concerts. Lorraine worked for years with my mother and sister. I also had the privilege of working with her one summer and will always remember that beautiful smile and infectious laugh. We had a chance to visit Lorraine and Eileen just before this last Christmas and she was still sharp, interested in our lives and so loving to my sister, Linda, me and our husbands. May she rest in peace. Much love.
