“ I knew Lynda and her brothers, especially Jim, since we were all very young. I never met her sister or parents. She was such a spirited girl, and so proud to be a Rockie. I can't imagine a reunion without her. She was a big part of keeping us all together. and she will be missed. In the words of her beloved Sister Flora, "Love ya' honey" Carol Zax Kassing

“ Lynda was a faithful friend. She had a special connection to those teachers who had helped her along the way, especially the School Sisters of Notre Dame. She gave of her time to help them. She was attentive even after their deaths, visiting cemeteries and paying her respect to them.

“ *Lynda was a relentless helper with the St Alphonsus Rock High Class of 1963 reunions. She helped us find so many Rockies and their addresses. Then send me the list. She always watched the obituaries in case a Rockie was listed and then let me know. Though she was tough on the outside, she was a kind soul and I know she's now at peace with some of her former nuns from Rock High, Sister Edward Paul and Sister Sylvia. ROCK ON, Lynda!*

Peace be with you!
