When asked what she liked to do, Mom's answer was always the same: "Be with my family." A frequent excursion was a family outing to one of our favorite places, The Smoke House, to celebrate. We spent many of her birthdays there, toasting another memorable year. She embraced and embodied LOVE for her family in every possible way. Her presence on this earth blessed the lives of many, most especially her family. Her sweet, gentle, loving presence will be greatly missed.

“ Mom was absolutely the sweetest person I've ever known. I am so blessed that she was my mom. She knew how to make us laugh and always showed us love. I will never forget all the time we spent together on my days off, having fun shopping and simply spending time together. I will miss her terribly but cherish my precious memories.
