“Marilyn was a member of our Webster Groves DAR chapter and attended a number of times when she was stronger. Several of our members remember her and my mother was in the chapter when Marilyn was the Regent. Marilyn was honored as a 60 year member but I haven't found those pictures. We would like to be able to send our sympathy to her family but we have no family contact information. She was a dear lady! I hope they will see this. Sylvia Stoll - 2stolls868@gmail.com

Dr. Charlie Drace and his beautiful "Georgia Peach" Marilyn were dear friends of my parents, Bill and Helen Goldwasser. I remember the day he introduced her to our family. Her skin was so soft and beautiful. And her hair, a unique shade of red. She was quite a southern lady!
