“ *Marti was my mother's college roommate. Mom and Marti and Jill stayed great friends and part of our extended family for their whole lives. My brother and sister and our kids all fondly remember their summer visits to our mountain home in Frisco, Colorado. It is still adorned with Marti's photographs and Jill's water colors and painted rocks. As their health failed, Mom and Marti still chatted about the events of the day by phone. We miss them all and extend our condolences. Thanks to Robin and family for your kind care at the end of Marti's life.*

Thank you, Jeanne. I will treasure Marti's (and Jill's) memory. I thought of her the other day as I was playing Solitaire - I think she taught me how to play when I was about 8!

“ *I'm sorry her family didn't share that Jill wasn't just her "roommate". At least Marti and Jill are together now - without judgement.*

“ My sympathy to the family. I worked with Marti at United Way for many years and always willing to answer questions or help when asked. Enjoyed hearing about her travels with Jill and still visited with them after Marti retired from United Way. My prayers for all.

“ I was privileged to meet Marti when Jill was a resident at Bethesda Dilworth. We became friends after Jill's passing and remained friends forever. She was a wonderful lady and I so enjoyed sharing conversations and meals with her. We talked politics and made each other laugh. She was one of a kind and I will miss her greatly.
RIP, dear Marti!

“ Please accept my condolences on the loss of Marti. I had the privilege of knowing Marti from water exercise at the Webster YMCA. She was in my class for many years and I have so many fond memories of her. We enjoyed talking after class about travels and Girl Scouts among other topics. She was a wonderful person, I feel fortunate to have known her.
Sincerely,
Maureen Muich
