“ *With great sadness I learned of my old friends passing. My sympathy goes to the sons, grandchildren & great grands. She will be missed but they have wonderful memories to rely on. I will miss our phone chats about many items. We both only realized we had learned to swim at Clayton pool a few years ago. She is once again with the love of her life Al. She helped many children with her teaching. In friendship, Elaine (Shepard) Litzsinger Alexandria, VA.*
