Margaret was born on December 16, 1933 to parents Earl and Beatrice Wallingford of Edna, Kansas. She graduated from Altamont High School in

It was during her well-deserved retirement in Daytona Beach, Florida, that she married Kenneth Vowell on February 14, 1996.

Throughout the years Margaret traveled to places far and near. She was a social person and kept connected with former co-workers and her many friends. She loved her family and never failed to remember, and send cards, on birthdays and anniversaries.

Margaret's faith and love for her God was evident by living a full and exemplary life. Many of us have been the recipient of her kind deeds of generosity but only God knows the full measure of lives she touched.
