“ I am so sorry to hear of Mrs. Coffman's passing. I had attempted to get in touch with her at her long time family home and searched the internet and directory with out success. She called me quite often during my mother's illness and talked to me at the time of my mother's passing in 2004. She has never left my thoughts from the time I first met her, perhaps at the age of six, until today at the age of 74. She was always welcoming to me and so very kind. May God hold her in his hand and may His light and comfort clothe her forever. To Toby and Karen I offer my deepest sympathy and kindest regards.
