“ I worked with Mike on several jobs. Every time one of us would walk up on the job, we would put a hand on our forehead and yell "OH NO"! He was a good guy. Godspeed Mike, You'll be missed I'm sure.

“ Mike was a true friend of mine in Iron Workers Local 396. We first met in the 80's when we both worked for Big Boy Steel. I have nothing but good memories of Mike because he was always looking at things as the glass half full. He was a gentleman at and after work and was a lot of fun to be around especially after work. I will miss him but will honor him by continuing to work hard at my job and help as many people as I can while I am around. God speed to you Mike and my thoughts and prays are with you and your family at this difficult time.

*I'll always remember the Christmas Eves and Friday nights we spent with Mike and all the kids and neighbor friends at his house. Good Times... Although we've all grown up I feel all of us benefited from his candor and honesty. I know we will always keep his memory and love in our hearts. He will be dearly missed. Love you all, Diane and Rick Ringling.*
