“ Missing you every day my sweet mom❤️ I'm so thankful for having such an amazing mother and friend. It never mattered what I did or whether I was right or wrong, she was always on my side. Always ready to sit and listen to me for hours if need be. My house isn't the same without her. She's everywhere I look. She'll be in my heart forever. Thanks for being my MOM. I love you💕😭

“ U have been on my mind for a few weeks now. U we're trying to tell me that u got that call and u had to leave us. To hear this saddens me. The love I had for this lady was a special kind. The joy she brought to my life is unforgettable. I pushed her to eat and she pushed me to get some rest because I was always moving around doing something. I'd fuse at her cause she would always try and help me help her. Thank u for all ur advice and encouragement u gave me. I will always treasure all of our memories that we shared 🙏👍😭😇😭 RIH MY MILLIE
