“ *When I called and spoke with my Uncle he would always ask, "who is this?" Now, Auntie would always tell him who was on the phone before he answered the phone. So, I come to believe he did that so I would say, "your favorite niece", then he would chuckle and say "no you not". Auntie would be laughing in the back ground as we banter back and forward on the issue. As the years progressed, needless to say, I could always get a chuckle because of that, I knew that I was his favorite or at least loved by him.*

When my days are blue from missing him, remembering the fond memories of uncle will surely bring a smile. So, to the family, hold tight to the memories and enjoy them and laugh, laugh and laugh.

Thanks Uncle

Eternally,

Your favorite (great) niece.
