• Dad I thought of you today, but that is nothing new ... I thought about you yesterday, and days before that too ... I think of you in silence, I often speak your name ... All I have are memories and a picture in a frame ... Your memory is a keepsake, from which I'll never part ... God has you in his arms, I have you in my heart ❤️ ❤️ ❤️

“ *My grandpa was my absolute favorite. He always made me feel safe, welcome and I knew he would always have my back. I remember he would take my cousins and me to go get snowcones. He would even take us to goodwill lol. He would do anything we asked cause he was our grandpa. He loved his pop tarts for breakfast. He had great BBQ. I could go on and on. But I'm happy that he is in a better place and I can't wait to see him again.*
