“ Mom I have lots of memories. When you would let all of us kids pile in bed with you and dad on a weekends. When you would let me lay my head on your lap when I was not feeling good and you would rub my ears and hair. Even at the age of 45. I was never to old to be your baby of course I was the baby of six kids. You are the best mom I will miss you every minute of the day and night forever. I love you so much. And dad misses you so bad. I promise to take care of him. Love you mom.
