

## Paul L. Miller

August 7, 1966 - October 15, 2021

Paul L Miller 55 of Florissant lost his valiant two year battle with cancer on October 15th 2021. He was born August 7th 1966 in Quincy, IL and in November 2019 he took his cancer diagnosis in stride saying “God gives the hardest challenges to the strongest people.” He will be remembered for his love of the Los Angeles Dodgers, the Green Bay Packers, Chevy’s Fresh Mex restaurant and McDonald’s McRib sandwich.

He is survived by his sister Paula (Derek) Dunlavy of Springfield, OH and several close friends including his Godson Adam Duvendack, Jacquelyn Duvendack, Dre (David) Duvendack Visk, Brian Duvendack, Rick and Christine Duvendack.

We would like to thank Dr H. Shawn Hu and the entire staff at the David C Pratt Cancer Center for their efforts and care. While this battle did not have the outcome we all prayed for, Paul is now at peace and reunited with his beloved father Henry A Miller, his great aunt Mary Kerberick and his grandmother Julia Miller whom he had many fond memories of.

A celebration of his life will be held at a later date when we can incorporate his love of going to baseball games at Busch Stadium.

Memorials can be made to the David C Pratt Cancer Center <https://give.mercy>
