“ So sad to hear of Ray's death, this is the first we have heard of it. Ray was a good friend and true gentleman. We had many great and memorable times with Ray as he prepared our taxes. We loved him and he was always worthy of that. He was a prince of a man and cared deeply for his clients, which soon became his friends. We always looked forward to spending time with Ray while having him out to our house. Ray, an honest sweet gentle man who blessed our lives and we are all the better because of it. We miss you greatly Ray may you rest in peace.

Until we meet again old friend,

Love,

Malichi and Jeri Icenesse

“ My condolences to the family of Ray Sotier, I grew up with Ray and after 1988 have not seen him, he was a gentleman. I am glad to have known him.

“ I send condolences to Ray's family. I grew up with Ray at the Masonic Home in St Louis and have many fond memories of playing together. We saw Ray and LeVerne in our Overland home for a reunion of home members in 1986, before we moved to Washington.

Ray was a real gentleman whose memories will always be in my heart. I am lucky to have known Ray.

“ I was so sorry to hear of Ray's passing. My father and mother came from the same "old neighborhood" as Ray and were friends a long, long time. My Dad played handball with Ray at the Southside YMCA for years and they always went for a beer afterward. My husband and I have been doing our income taxes with Ray for over 25 years and always looked forward to his stories about days gone by. This is such a shock...we just saw him in March. We will truly miss him - he was a great guy. My condolences to his daughter, Rita and grandsons, Ravi and Derek and all those who loved him. May he rest in peace.
