“ There is no longer pain, suffering, anger, sadness, or regret, only happiness and peace in a place that will call on us all eventually. Although he has left this earthly plain his spirit is with us always. He looks over us and will see his children, grand children, and great grandchildren grow to adulthood. We grieve for our loss and at the same time celebrate his peace and serenity. Godspeed Dad. I will see you again in time. You are in my heart always. Your loving son Bob
