“ Dear Joan,  
We are so very sorry to read about Bob's death. I was just thinking of both of you this morning, as I was washing "The Soup" bowl. You gave us this beautiful bowl because you knew how much Bob loved making soup after he retired. But now, he eats Oatmeal in it every week.

We had so much fun partying with you both. We will truly miss Bob and his sweet smile!

Our thoughts and prayers are with you.

Bob and Nancy
