“ I am still in shock, everything seems to have changed now. I guess it's hardest to deal with when it's someone like Robin. She was so full of life , it makes it really hard to accept. My condolences to the family. Robin will be missed in my home for many years to come.

“ Robin, I didn't have the pleasure of knowing you for very long. But I am so thankful for the friendship that we built. You are such a beautiful lady with a huge heart. I think that was what made us become, what I would consider, a good friend. I am in total disbelief about this. We had a couple of great conversations the last couple of weeks. I know you will be missed by many. Our mutual friend said that he wished he could have a second chance. I know that you smiled down hearing that. Robin may you R.I.P. Your troubles are now washed away. I am going to miss you lady. 😭💔🥺🥹
