“ I am saddened to hear of your passing. I often think about you and a smile comes to my face. You came into my life when I needed a change. We met working at Planthaven and soon became friends. You loved life and all of its beauty. Maybe that is why we met. You loved the sunshine and watching all the plants bloom in the 16 green houses we filled. Even when we had to pinch back a whole greenhouse of hundreds of geraniums that we so eagerly waited to bloom. When I had to call you out of the vegetable house. You knew what it meant...."It's time to run dirt."

We would give each other a giggle and you would say, "Roll um."

I will miss you. But I am grateful for knowing you and the optimistic look you had on life and the beauty that it brings.
