

Robley Eagleton

February 9, 1949 - May 10, 2022

Robley passed peacefully on May 10 at the age of 73.

She was born to Richard and Alberta [Trousdale] Eagleton and raised in the quaint, small town of Robinson, Illinois.

An avid reader and seeker of knowledge, she became an English Teacher, with a strong desire to maintain contact with her hometown of Robinson.

With open arms and doors [which she never locked], her children's friends became her own and new pals became lifelong friends.

As a history lover, she was always thrilled to visit a new cemetery during her travels and learn of its unique occupants.

She was never afraid to speak her mind and if need be, give the world a middle finger or a hug, or both! She truly was "one of a kind".

She was a proud advocate for the LGTBQ Community, political issues, and human rights. She often donated to various stray rescues. She loved snuggling her many dogs and cats, collecting perfumes, interacting with her Facebook community, and shamelessly obsessing over her landscaping and plants!

Her, [always reminded], greatest accomplishment in life was simply, " being a Mother".

Survivors include:

one daughter: Suzanne Eagleton Tessler and one son: Robley Richard Tessler;

three grandchildren: Robley Richard Tessler Jr, Kameron Eagleton Tessler-Williams, and Karson Eagleton Tessler-Wong;

and a lifelong friend and former husband, Lawrence Kenneth Tessler.

She was preceded in death by her parents, an infant daughter: Sarah, and Best friends: Terry and Sheila

Services will be private.

Memorial contributions may be made to the Kittycatsle Sanctuary

Her final resting place will be the historical Hillcrest Abbey on Sublette in St Louis, Missouri.

“ I affectionately called her “Robs.” My Robs. Growing up, I would look at her with admiration, as she was so beautiful, such a classic old soul. She loved me unconditionally, as well as all of her children’s friends and she was truly one of a kind. Robs will be missed terribly and forever loved!

I guarantee you that Robley is okay. She knew how to work a room, and won't have a problem where she is. Her favorite people who have passed before her are holding her close with love.

“ *I didn't know Robley for an exceptionally long time. But she is one of the few people who knew how to get me to open up about how I was feeling with just one look or a simple conversation. Such a warm way about her. A very special person. Her character spoke volumes. So kind and loving. She will never be forgotten. The most golden sense of humor! Smile on beautiful. We love and miss you!*

“ Robley was an amazing woman and I first met her when her daughter Suzie and I became friends like in 4th grade. I would spend the night many nights and her and I would talk and she always gave me loving advice, and took us on some cool adventures I will never forget. I loved her and still remained friends on Facebook all these years even after Suzie and I grew up and had families of our own. That family will always stay close to my heart. I love you guys and thank you so much for all the wonderful memories that are permanently a part of my childhood.
