“ I was shocked to hear about Ronda. I grew up across the street from the Seers family and most of my childhood memories are entwined with good times with Ronda. She was always smiling and I remember being so excited when it was girls days at their backyard pool and I got to spend the afternoon at her house. Childhood memories are forever and I can speak for my entire family, when I say that we were lucky to be your neighbor. You has a beautiful smile and a joyful spirit! My sympathy to Susie and Paul! “ Ronda I am going to miss our talks. You were there for me when I needed a shoulder to cry on. When I needed advice you were very good at keeping an open mind. There was never a time that you judged. You had such a big heart. I will miss most of all your hugs. They always made me feel better. Work will not the same with out you. There is no more pain Ronda and I know you are watching over each and everyone of us you have touched. We will meet again and I know you will have your arms wide open and when we talk it will be of peace and beauty. God welcomed a beautiful soul. My Angel.

“ Ronda went to Windsor School, Woerner School and Cleveland School. I was a year younger than she was, but I remember her. Her mother and mine where in elementary shows together. She touched so many in life. I remember her smile to this day.

“ Rhonda was so much fun to be with! I know we haven't hung out in so many years but we used to have so much fun! I used to love spending time at her house especially when your dad would make BBQ Bologna! We had fun with Job's Daughters, swimming in your pool and when I spent the night, we would talk all night long. I remember sleeping in the bean bag chair in her room. She had the biggest heart! I will miss you dearly! I am glad that you will no longer be in pain. Kathy Jones Zitko
