“ More memories...when dad and mom Shirley got married. I got a wonderful little sister. We all had so much fun on car trips in the back of the station wagon listening and singing to the Turtles and the Partridge Family. We were all very close together with our German shepherd in the group.

Of course, there were no seat belts. I really missed Mom Shirley over the last several years and it was hard for her to want to talk. She always tried hard to be strong through many challenges she faced. She was loving and considerate. She loved the grandkids-Laurent, Eline, Allison, Andy, Scott and Sarah. We were blessed.

“ Mom Shirley was also our step mother to Ron Johannsen, Kent Johannsen and Christine Johannsen Dolejs of mundelein. We lived in Glenview with her husband Louis and Kathleen our sister. She was a very loving and caring "mom" who remembered us with individually wrapped gifts at Christmas. When our car broke down with 4 kids, she took us right in until the car was fixed. There were happy moments of reunion with Kathleen cousin and cousin Kalah. As she was dealing with more health issues we didn't know what happened to the cards, pictures and gifts from us. We knew she was a part of the Durbins and of course Kathleen stayed in touch and knew she was in good hands especially our Lord Jesus hands. I am sure she is having a wonderful time in heaven with loved ones who love Jesus too. We are thankful for her life.
