I knew Soma only for a little while when he joined Benefitfocus and we bonded because we were from the same place and we spoke the same language. He was such a wonderful, nice, and kind person. I'm sorry for your loss!!

“ *To my loving brother.*

Sometimes I still
just can't believe
you're gone...

And only you know why.
A million times I needed you,
A million times I cried.
If love alone could have saved you,
You never would have died.
In life I loved you dearly,
In death I love you still.
In my heart you hold a place,

“ I am shocked and saddened to learn about the untimely demise of my dear friend Sekar. I am still in disbelief. He was the nicest guy known to me during our college days / graduation. He was more than a friend. He was always helpful, optimistic and such a caring person for all his near and dear ones. Our prayers will be for his entire family to see this through and keep strong. We shall miss him.

“ *Carolyn and family, I am so sorry for your loss of husband, father, son and brother. Although we only knew each other for a few years, I came to know Somasekar as a good man, who loved his family, his God and his newly discovered faith. He possessed and maintained a very close relationship with his God, always asking questions about Him and praying to Him as he needed answers concerning family, health, occupation and his faith. I know he had a great love for you all that he will now take with him to heaven. Please know that you will be in my prayers and that you have a marvelous advocate in heaven in Somasekar as he rests in our heavenly Father's lap. Deacon John Bischof*

Carolyn Paleti

Thank you, John. Sekar really respected you and appreciated your guidance as he joined the church and grew in faith. Your visits in these last few months meant so much to him. Thank you so much for your kindness and compassion.
