

Stacey Ann Schoeffel

December 1, 1965 - August 23, 2022

Stacey Ann Schoeffel passed away on August 23, 2022, after a year-long battle with cancer. She was the daughter of the late, Kent E. Schoeffel and Georgia B. Schoeffel, the sister of Kullin E. Schoeffel and his wife Joan T. Schoeffel, the niece of Kim E. Schoeffel. Her passing impacted not only her immediate family, but her godmother, great aunt, and a host of cousins and friends.

Stacey was a graduate of Webster University with a degree in Environmental Science. She lived life true to her convictions and was a staunch caretaker of both family and friends. Stacey joyfully engaged with the earth and the life it supports, both wild and domestic. She was fearless crawling on her stomach through a cave monitoring bats, walking on a glacier, or white water rafting. Stacey was a problem-solver and an organizer with a creative flair for designing gardens and decorating our home and yard for seasonal celebrations. She could craft flowers and greenery into wreaths, centerpieces, or bouquets. She was incredibly strong and brave and loyal, and we will carry her forever in our hearts.

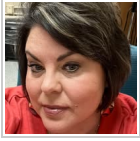

Services are private at Valhalla.

“ I am just finding out about the loss of Stacey and am so sad. I have so many memories of our days teaching together at Roosevelt High School. We shared some great laughs both in and out of work. What a loss.

PS

“ I am Stacey's second cousin and very proud Godmother. Stacey was a bright spot in my life. I was thrilled when Kent and Georgia asked me to be Stacey's Godmother. She was always ready to lend an ear or hand in time of need. Like being my "Schuber driver. I live in Colorado and when I fly home for visits, Stacey would reply with, "Schuber will be there to pick you up!" I will always remember your beautiful smile, contagious laugh and what more can I say. Stacey, I love you with all of my heart. XOXOXOXOXO
