Susan Lea Harrison

04/22/1944 - 09/24/2016

Susan Lea Harrison peacefully transitioned to heaven on Saturday September 24, 2016 after complications from Parkinson's disease. Jack her husband of 52 years, her Son Robert and Daughter June Race (Mark) and Grandson Scott were at her side during her final days filling the room with love and laughter. She held our hands as we wept and kissed us one last time. Our hearts are blessed to have her unconditional love to carry forever. Susan grew up in Bellefontaine Neighbors, MO., she attended Riverview High School and Kitzmiller Beauty School, Class of 1963. Susan had fond memories of riding horses with her family on Harper Lane within the Bellefontaine area and in Elsberry, MO. Susan loved going to Elsberry via train to visit her Grandparent's Louis and Cynthia Hatfield to help them with their Catfish business. Susan created many happy memories taking her kids camping with family. She camped as often as she could and loved the peaceful moments of the outdoors. Susan made the brave decision to move to AZ in 2013 to be near her Grandson Scott whom she loved dearly. Scott adored her and loved being spoiled. Susan was a dear sister to, Darlana Morelan and Daryl Keith, (Marcia) whom she felt blessed to have in her life. Susan's many pictures showed a life of great times with family and friends! She loved everyone

especially all those babies!! She enjoyed visiting the St. Louis Zoo to see Raja an Asian Elephant. If you like to make a donation in Susan's honor please consider the St. Louis Zoo Tribute <https://www.stlzoo.org/give/tributescommemorativebrick/>

“ Susan will always be our cherished big sister and sister-in-law. If you were lucky enough to be part of her family, you always knew you were loved. She was an adventurer by nature and never passed up the chance to try something new. Susan was also the family historian. She knew more about the ancestors than they knew about themselves! She had very strong opinions and was sure she could change yours! She especially enjoyed a good practical joke; whether she was the prankster or the target! We could go on for hours...patriotic beyond words, artistic beyond compare and loving beyond measure. She left us all too soon, but she made sure we would have enough wonderful memories to hold us until we see her again. Sharing those memories, and knowing that her suffering has ended, will in time help mend our broken hearts. Can you imagine the welcoming committee she had waiting for her at the Pearly Gates? What a homecoming that must have been!

“ Of all my mother's family, I have many more memories of Jackie, Susan, June, and Robbie. Having so often gone camping, played games or just hung around talking, Susan was always sweet and funny. We talked a lot at family events and she loved to be with family.
