“ Hello Mike and Family,
You and Serena have been special to me since we first met at a U City Police Focus Group Meeting. Serena and I also belonged to the Friday Card Club.

I remember Serena wrapping hot dogs, going to community meetings, playing cards all afternoon and many other fond remembrances. There are far too many memories to share in this space, just know that even though she will be missed, her winning smile and willing spirit will live forever.

God's Blessings and Peace to you. Mae Etta Weston

“ My thoughts and prayers are with Serena's family during this difficult time. May you be comforted by knowing Serena knew she was truly loved by her family. I first met Serena years ago at a Tax Service Business. She was smart and kind. When I met and worked with her daughter Kim, at the same business, I saw Serena's goodness was embodied in her daughter.
