ME

“ I have been a friend of Thom's for 29 years. He is irreplaceable in my life, he was like a member of my family. Can someone tell me what happened to him, I never believed he was retiring - I knew he would call soon to tell me where he would be. Thom was there for me when I had heart surgery, I will never forget him, and he will be in my prayers forever. My sympathy to his family. Mary Ann Elias
