“ *Tommy was a wonderful friend and and co-worker along with an avid bike rider of my husband; They would be up and gone by 8am and sometimes they got me to go; They like to ride what I named the "hog path". It was on one of these rides that they convinced me to go with them and as "tommy said, i hugged the tree"; I also can still hear him telling me as we were about go down hill "Free ride mary, free ride; he will be missed by all who knew him;*
