## LIFE REFLECTION

I am heartbroken to announce the death of my father, Virgil Stanley Crawford. He passed away peacefully at the age of 61, surrounded by his loving family. He will be sadly missed and will always hold a special place in our hearts. He grew up in St. Loufs City and was a happy kid always surrounded by friends and family. He attended Mercy Highschool and after high school, he continued his education and completed a certification in phlebotomy and pharmacy tech.

My dad was free-spirit and was kind, loving, and always smiling. He had a favorite coffee shop at 10th and Washington where he knew everyone's name and they knew his.

He enjoyed playing basketball throughout his life. My dad also enjoyed cooking, grilling, and baking and was known throughout the family and his friends for his delicious cookies, rolls, pasta, and barbecue. He has touched so many with his kind spirit and vibrant laugh. I will miss his hugs and forehead kisses and I will miss our talks. I will miss his smile, his warm and loving spirit.

I will miss you forever Daddy.

Love, Christina
