“ Please accept my condolences on your loss. I just saw Ginnie's obit a couple of weeks ago. I worked with Ginnie at Monsanto for 20+ years, and she was always one of my favorite people. She was always reading a book (sometimes more than one at a time!) and I remember her talking about her cat. I don't know how old she was in this picture, but she looks as good as she always did. I hope she had a happy life. It must have been fate that I happened to see her obit in the paper.

*She was a wonderful friend and a lovely lady!*
