“ *Growing up, you always let me take over the TV to watch Barney and you played many games with me. Memory was always my favorite! We cooked many dinners together after school too. I was the first girl in the family after all those boys so you let me play with your makeup and nail polish. You even let me (badly) paint your toenails pink all the time. Pink nails and Memory will always remind me of you. Love you always, grandma!*

“ We had our ups and downs but I always loved the whole family. She will be greatly missed by us all. I'm sorry I couldn't be there but she and all of you will be in my prayers as you lay her to rest. She's with her husband once again and Wayne and Steve. What a beautiful reunion that must be. God bless you all.
