“ We have known Wes & Nancy since our time living in Lake Sherwood as neighbors and attending West Plex Church together (2014).
We have wonderful memories of long game nights playing Dominoes, Joker or Sequence. Somehow Wes usually was the big winner!
We'll sure miss Wes, but we know we'll meet again in Heaven.
Amen.
Our sincere condolences to the family.

“ So many good memories of MY uncle Wess. The uniqueness of his laugh, was Epic to witness. He had always ("Always" 60 years) treated me with respect and kindness. Our camping trips, which there was many of, most of us waking up with a major hangover, would be met with our breakfast cook, with a drink in his hand, smiling, and snickering saying " GOOD MORNING " as he would be cooking 7 lbs bacon 6 dozen eggs ,laughing and telling jokes. He took care of us all. Even on the water on our float trips, He would make sure we had something in our stomachs he would get out ahead of us and as we would come around a turn on the river, there he would be on the gravel bar, cooking up coffee can hot dogs. Took care of us, So that we could have a chance to be able to return to work the following Monday. Many good times in my life spent with him. A good man and one of my mentors. I even as a child of like 8 years old, walked a picket line with him and my Dad. W. O. W 🤔 I just realized 🤔 where my PTSD started. LOL. I could go on and on about the good in this man, but would take hours. Will be missed and Loved For eternity. Proud to be his nephew for sure. 🕊

I have some great memories of Uncle Wes, always cared about others and family, always had a great story to tell, it's been a long time since I had a chance to talk to him due to the distance between us I've lived a different state for a long time and with my wife's health condition it's very difficult for me to go anywhere, but I have some great memories of him when I was growing up,, love you and you will be greatly missed,

I love this!!! I'm told often about how "witty" I am and how it's one of my better qualities:) I guess it runs in the family❤️
