“ I certainly miss my dear Uncle on the anniversary of his death. My father, his brother, died last year on this same day. I am sure that they are happy to be united in heaven. I always looked forward to seeing my handsome uncle. He was so smart and interesting. I wish I had spent more time with him. I wish I invited him down to Florida. He wanted to come with his grand-daughter and show her the ocean. My dad hesitated, since they both couldn't get around so well. I am sorry I did not take the lead on that. He was a very good man, and took great care of my dad when their parents passed away. I love my uncle, but know I will see him again. Please watch over us, and pray for us.
