“ Good Morning,

I was saddened to hear of brother William's passing. I worked with him for several ears when we raised money for the Shriners Hospital. I always enjoyed talking with him about flowers and birds. He lived around the corner from our son, so we often discussed the neighborhood. He would always come to the parade we did for the Central West End at Halloween and drive our golf cart for us.

Unfortunately due to some recent surgery I was unable to make his Masonic Service which I'm sorry for.

We added brother William to our prayers,
