Gary A. Nichols, co worker and friend. I worked with Bill at Hazelwood School District from 2007 through 2015. We also worked together part time at the Florissant Parks Concession Stand at St. Ferdinand Park. I told everyone the Bill was sent to me by God to heal my broken heart with the loss of my cousin Don. Bill along with his twin brother Earl were a site to be seen! I fondly recall sitting between them at a party and they had me in stitches! Bill was there for me and was a true friend. I wish I could have been one tenth of the man he was and been there for him when he needed help. God bless you brother and I'll see when I'm called.
