

Willie Neal Jr

December 25, 1929 - May 17, 2022

Willie Neal Jr. was born to Willie and Georgia Neal on Christmas day 1929 in Brinkley, Arkansas. He was the 7th of 10 children.

Willie always held a love of God in his heart and believed in treating others as he would like to be treated. He left his hometown to start a new life in St. Louis and was united in holy matrimony to Henryetta Conners in 1954. Their union was blessed with the birth of 4 children, Mona, Carleatha, Naomi, and Willie Neal Junior.

Willie worked for Krey & Hunter packing houses and formed a social club with his coworkers. After the packing house closed, Willie began his career in security and worked as a security officer until the age of 85. Willie enjoyed spending time with his children, gardening, and visiting his family in Arkansas.

Willie passed away peacefully in his sleep on Tuesday morning May 17th. He was preceded in death by his wife: Henryetta Neal, his parents, 7 siblings:

Hurie, LQ, Linzie, Vera, Beatrice, Ella, and Earnest; and 2 children: Willie and Mona.

He leaves to mourn and cherish his memory 2 siblings: Pecola Harrold(George) & Pat Walker; 4 daughters: Glenda, Carleatha, Naomi (David), and Tracy; grandchildren: Kenneth (Erica), Dana, Erica, Whitney (Curtis), Jamelah, Trina, Sofia, Ed, and Chad; great-grandchildren: Keelen, Kendall, Kamille, and Cayden; a host of other great-grandchildren, cousins, nieces, nephews, in-laws, and friends.

“ Poppa Neal. We shared so many memories. I lived across the street as a child. We all have sat on your porch talking with the family. From your wife and her sister. With Mona, Naomi, Carletha and Bubba and Bobbi. You had always treated us as if we was your own children. Even when we stayed all night with your girls. I have so many wonderful memories of you and your family. Your girls was our big sister. You don't have to be blood to be family. And that you always treated us as Paul, Lisa, Don and I as family. From kids to adults. Tell the family in heaven hello from your wife, her sister and Bobbi. Continue to be cool as I know you will. And I know your hugging Mona and Bubble tight in your arms. We not gonna even talk about the peach tree. Nor sliding down your lawn on cardboard boxes in the winter when the snow was on the ground. Rest easy Poppa Neal. ❤️🌸🌹 Wanda Kilcrease-Washington

“ My love . . . My heart . . .My memories of you will never be forgotten. Each one has his own gift from God, one in this way, another in that way. Your gift is the laughter and joy your broght to our family. It was the glue that kept us together. Today, I'm certain that as we are gathering to bid you farewell, you're in full swing with laughter and joy. There exist hope for even a tree. If it gets cut down, it will even sprout again. . .If an able-bodied man dies can he live again? The answer. . .we will see you again!

Your loving neice ,
Jackie

“ Im Stephanie & I was of the ones he watch grow up. We stayed on the same street. To earn \$ sometimes I would water the grass or pick the bad peaches up during that season other than that he would run us away for picking the peaches before he got to pick them. I could go on & on about Mr. Neal & how he watched & talked to generation after generation He will truly be missed. My condolences to the family & friends of the hearts he touched.
