“ Aunt Lamb, I miss you so much; we had a special bond as Aunt/Niece! You were extremely inspirational to me in becoming a good mother, by sharing parenting skills and tools necessary in raising children! You are such a beautiful person inside and out. YOU will forever be in my heart...that infectious smile of yours will always remain with me (along with my FAVORITE COUSIN DIANE)! LOVE YOU AUNT LAMB! Mickey

“ So glad our pathway crossed in this life. We started as co workers and quickly became friends. You will always have a place in my heart and thoughts. You became a mother figure to me and stepped in as grandmother to my daughter (Alexsandra). So much time we shared together earlier in our relationship, the talks we had and the conversations we shared will never be forgotten. You gave me someone to look up to and showed me what classy looks like, you. Crystal, I hope you know how proud Wilmetta (Lamb) was of her granddaughter. She will never be forgotten. She became a part of my family.
Wilmetta, thank you for all the things you taught me, but most of all thank you for being my friend.
Forever In My Heart,
Sandra Luster
